

DKMS Foundation is a global non-profit organisation dedicated to the fight against blood cancer, thalassemia, and other blood disorders. Our aim is to improve the lives of patients suffering from blood cancer and other blood disorders in India and throughout the world by raising awareness about blood stem cell transplantation and registering potential blood stem cell donors.

Volunteer with DKMS to Delete Blood Cancer!

Thank you for your interest in volunteering with DKMS Foundation. We truly appreciate your time and support! Every DKMS initiative is powered by committed volunteers who contribute in a variety of meaningful ways. Your support brings hope to patients battling blood cancer, thalassemia, and other blood disorders by helping them find their lifesaving blood stem cell matches.

HOW DO I BECOME A DKMS VOLUNTEER?

All volunteer applicants are required to complete the application form along with a cover letter (within 250 words) describing what changes can be made in India through volunteering, how we can promote our mission effectively in your university, and complete the Self-Assessment and Declaration. This form will help us get to know you better, and should take approximately 15–20 minutes to complete. Please fill it out in BLOCK CAPITAL LETTERS and send it to aishwarya.kamath@dkms-asia.com

Once your application is submitted, our team will review it (usually within two weeks) and contact you with the next steps based on the roles you have shown interest in.

Selected volunteers should undergo a mandatory 8 hours of online training.

WHO DO I CONTACT WITH QUESTIONS?

We are here to assist you at every step of your journey with DKMS.

At DKMS Foundation, the volunteer initiatives are coordinated by our dedicated team. If you are interested in applying, nominating, have questions about the application process, need support with the form, or have any general inquiries regarding the opportunity, please reach out to one or more members of the volunteer engagement program team.

Our team is happy to answer any questions or address any concerns that you may have.
