- 5 **Enjoy protection** as you grow your wealth

GrowthLink

INVESTMENT-LINKED PLAN

Wide range of funds to suit your every need

Get closer to your goals, be it a dream wedding, a car, or retiring in style. GrowthLink provides you with an extensive range of funds to choose from so you can invest in the funds that best match your financial targets at various stages of your life.

Low annual management fees

Our annual management fees² are about 35% lower than other funds in the market⁴ so you can rest assured that more of your savings are working hard for you. The potential returns on your investment are thus improved.

As flexible as you need

Even though you have purchased a single premium plan, you can still top up your investment with a lump sum or switch³ your investment into another available fund as often as you wish. If the need arises, you also have the flexibility to withdraw⁵ your investments.

Fund management expertise

After you decide which funds to invest in, you can relax knowing that our team of experienced investment professionals are continuously monitoring each fund and taking care of your investment. Various Income's investment funds have consistently attained Lipper Leader ratings⁶ over the years – funds that rank in the top performing 20% among similar funds.

Enjoy protection as you grow your wealth

GrowthLink also provides you with coverage against death and total and permanent disability (TPD before age 70), at no additional charge, for even greater peace of mind.

Exclusive treats for Income policyholders

Every Income policyholder deserves to enjoy the finer things in life. Enjoy a wide range of exclusive treats which are specially curated for you at www.income.com.sg/IncomeTreats.

About Income

Income was established in 1970 to provide affordable insurance for workers in Singapore. Today, two million people in Singapore look to Income for trusted advice and solutions when making their most important financial decisions. Our wide network of advisers and partners provide life, health and general insurance products and services to serve the protection, savings and investment needs of customers across all segments of society.

Right from the start, Income was made different. Our social purpose of maximising value for our policyholders defines us as a social enterprise as we continue to make insurance accessible, affordable and sustainable for all.

In 2017, Income had over \$36.3 billion in assets under management. Our financial strength and diversified investment portfolio is reflected by our strong credit ratings which underpin the delivery of our commitment to customers.

Income's corporate social responsibility initiative, OrangeAid, is committed to empower a better future for children and youth from disadvantaged backgrounds.

IMPORTANT NOTES

- 1 There is a minimum requirement on the amount allocated into each selected fund upon each premium payment.
- 2 The annual management fee is not the same for all funds. Please refer to their respective Product Highlights Sheets for the annual management fees as well as other fees and charges.
- 3 Minimum switch amount is currently set as \$1,000 each time. There is no limit to the number of switches per year. There are currently no charges for fund switching.
- 4 Other funds in the market refer to investment-linked plan (ILP) sub-funds excluding Income's funds. The average annual management fee is calculated using annual management fee (maximum or actual) data from Morningstar and its content providers.

IMPORTANT NOTES

This information is not to be construed as an offer or solicitation for the subscription, purchase or sale of any investment-linked plan (ILP) sub-fund. The information and descriptions contained in this material are provided solely for general informational purposes and do not constitute any financial advice. It does not have regard to the specific investment objectives, financial situation and particular needs of any persons.

Investments are subject to investment risks including the possible loss of the principal amount invested. Past performance, as well as the prediction, projection or forecast on the economy, securities markets or the economic trends of the markets are not necessarily indicative of the future or likely performance of the ILP sub-fund. The performance of the ILP sub-fund is not guaranteed and the value of the units in the ILP sub-fund and the income accruing to the units, if any, may fall or rise. A product summary and product highlights sheet(s) relating to the ILP sub-fund are available and can be obtained from your insurance adviser. A potential investor should read the product summary and product highlights sheet(s) before deciding whether to subscribe for units in the ILP sub-fund.

This is for general information only. You can find the usual terms and conditions of this plan at www.income.com.sg/growthlink-policy-conditions.pdf. All our products are developed to benefit our customers but not all may be suitable for your specific needs. If you are unsure if this plan is suitable for you, we strongly encourage you to speak to a qualified insurance adviser. Otherwise, you may end up buying a plan that does not meet your expectations or needs. As a result, you may not be able to afford the premiums or get the insurance protection you want. Buying a life insurance plan is a long-term commitment on your part. If you cancel your plan prematurely, the cash value you receive may be zero or less than the premiums you have paid for the plan.

This policy is protected under the Policy Owners' Protection Scheme which is administered by the Singapore Deposit Insurance Corporation (SDIC). Coverage for your policy is automatic and no further action is required from you. For more information on the types of benefits that are covered under the scheme as well as the limits of coverage, where applicable, please contact Income or visit the GIA/LIA or SDIC websites (www.gia.org.sg or www.lia.org.sg or www.sdic.org.sg).
