IMPORTANT NOTES

- 1 The sum assured of the DIRECT – Dread Disease Rider for Term must be equal to the sum assured of the basic policy that is, DIRECT – Term (non-renewable) or the DIRECT – Term (renewable).
- 2 This is a Direct Purchase Insurance product, with no financial advice provided. You must visit any Income branches personally to purchase this plan or buy it online at www.income.com.sg. The product is not available for sale through all other distribution channels of Income. The maximum sum assured per insured for all DIRECT products (DIRECT – Term (renewable), DIRECT – Term (non-renewable) and DIRECT – Whole Life), regardless of the number of policies purchased with Income, is \$400,000; with a maximum sub-limit of \$200,000 sum assured for DIRECT – Whole Life.
- 3 DIRECT – Term pays out the sum assured in the event of death, terminal illness or total and permanent disability (TPD before age 65) during the term of the policy.
- 4 We will renew your policy for another 5 years at its prevailing sum assured only if there is no claim on your policy during its term and the insured is age 79 (last birthday) and below at the time the policy is due for renewal. The renewal premium will be determined by Income and is based on the policy's renewal term, sum assured and the age of the insured at the time the policy is renewed.
- 5 The full definition of each dread disease covered and the circumstances in which you can claim are stated in the policy contract.
If the insured is diagnosed with a specified dread disease (except angioplasty and other invasive treatment for coronary artery) during the term of the rider, we will pay the sum assured. The DIRECT – Term policy and this rider will end after this payment.
For angioplasty and other invasive treatment for coronary artery, we will pay 10% of the sum assured, subject to a maximum amount of \$25,000. The benefit for angioplasty and other invasive treatment for coronary artery will end once we make this payment. The rider will continue with a reduced sum assured.
Any payment made under this rider will form an accelerated payment, and reduce the sum assured of its DIRECT – Term policy.
We will not pay this benefit if the insured suffered symptoms of, had investigations for, or was diagnosed with the disease any time before or within 90 days from the date we issue the rider, include or increase any benefit, or reinstate the rider (whichever is the latest) for major cancers, heart attack of specified severity, coronary artery by-pass surgery, or angioplasty and other invasive treatment for coronary artery.
If this rider is attached to a DIRECT – Term (renewable) policy and there is no claim (except angioplasty and other invasive treatment for coronary artery) on this rider during its term and the insured is age 59 (last birthday) and below at the time the rider is due for renewal, we will renew it for another 5 years at its prevailing sum assured.

There are certain conditions whereby the benefits under the policy will not be payable. These are stated as exclusions in the policy contract. You are advised to read the policy contract for the full list of exclusions.
