Maternity 360

TERM LIFE INSURANCE

360° protection plan for you and your baby

From as early as 13 weeks into your pregnancy, you can sign up for Maternity 360 which covers you for pregnancy complications¹ and death⁷. For a 30-year-old expectant mother, you will only need to pay a single premium of \$390.55 for a sum assured of \$5,000 and this plan will be valid for 3 years from the policy start date.

When your child is born, it also covers him or her for congenital illnesses² and death⁸. Maternity 360 even has an outpatient phototherapy benefit⁵ should your baby require phototherapy treatment due to severe neonatal jaundice.

For greater peace of mind, this plan provides both you and your child with hospital care benefit^{3,4}. You can also enjoy continuous coverage even if you have claimed for more than one insured event⁹.

Simplified application benefit for your newborn

With Maternity 360, you can ensure a good start for your child's future. You can sign up for a new insurance policy⁶ offered under this benefit for your newborn with just a simple health declaration.

IMPORTANT NOTES

- 1 The total amount paid under this pregnancy complications benefit will not exceed 100% of the sum assured. This benefit will end when we make this payment. Please refer to the policy contract for further details and definitions of the insured events.
- 2 We will pay 100% of the sum assured if the insured child is live-born and is diagnosed with any of the insured events under the congenital illnesses benefit in the child's benefit table. The total amount paid under this congenital illness benefit will not exceed 100% of the sum assured. This benefit will end when we make this payment. Please refer to the policy contract for further details and definitions of the insured events.
- 3 If the insured mother has to stay in a hospital due to any of the insured events under the hospital care benefit in the mother's benefit table and the hospitalisation is within 42 days after the birth of insured child, we will pay 1% of the sum assured for each day she is in the hospital, up to a maximum of 30 days and the stay must be during the contract term. To avoid doubt, if the stay in hospital is due to multiple medical conditions, we will only pay 1% of the sum assured for each day the insured mother stays in the hospital. The total amount paid under this hospital care benefit will not exceed 30% of the sum assured. This benefit will end upon payment of 30% of the sum assured. Please refer to the policy contract for further details and definitions of the insured events.
- 4 If the insured child stays in the intensive care unit or high dependency unit of a hospital due to any of the insured events under hospital care benefit for the child, we will pay 1% of the sum assured for each day the insured child is in the hospital, up to a maximum of 30 days and the stay must be during the contract term. To avoid doubt, if the stay in hospital is due to multiple medical conditions, we will only pay 1% of the sum assured for each day the insured child stays in the intensive care unit or high dependency unit of a hospital. For phototherapy or blood transfusion for severe neonatal jaundice and premature birth, we will only cover up to 30 days from birth. The total amount paid under this hospital care benefit will not exceed 30% of the sum assured. This benefit will end upon payment of 30% of the sum assured. Please refer to the policy contract for further details and definitions of the insured events.
- 5 If the insured child needs phototherapy treatment due to severe neonatal jaundice, we will pay 1% of the sum assured for each day of rental of the phototherapy machine, up to a maximum of 10 days. This benefit is valid only up to 30 days from birth. The total amount paid under this outpatient phototherapy benefit will not exceed 10% of the sum assured. This benefit will end upon payment of 10% of the sum assured. Please refer to the policy contract for further details and definitions of the insured events.
- 6 We will decide the type of new policy to be offered and all the following conditions must be met.
 - The insured mother must take up the new policy within 60 days after the birth of her child; and
 - The insured mother may buy more than one policy, but the cover for death, total and permanent disability and dread disease for all policies, whichever is highest, must not be more than \$150,000.

This benefit can be transferred to the father or legal guardian of the insured child, to take up the new policy for the insured child.
