Going the extra mile

Orange Force is Income's dedicated 24/7 accident response team to assist our valued policyholders who are often in a state of stress and anxiety after an accident.

Our Orange Force riders will arrive at accident scenes to advise you, ensure your safety, assist with vehicle removal, arrange alternative transportation and ensure that your interests are protected.

Our Motor Service Centre (MSC) provides you a one-stop solution for all your vehicle claims and repairs in the event of an accident, turning the aftermath into a hassle-free process.

Our experienced customer care executives will handle these for you - accident reporting, damage assessment, liaising with third parties, workshops and other insurers and ensuring the quality of repairs. All repairs also come with a one year warranty.

The first of its kind in Singapore, Accident Reporting is a mobile app that lets you complete & submit accident reports from anywhere, within minutes.

We built this app exclusively for our motor insurance policyholders, so you no longer need to rush to reporting centres within 24 hours to file a report with us should you get into a minor accident.
